Procedures: If you consent to participate in this study, you will complete a short online survey. Your involvement will require about 5 minutes of your time. You will receive 500 YouGov points for your participation.

Risks and Benefits: There are no direct benefits or any anticipated risks associated with your involvement in this study. Although this study will not benefit you personally, the results will add to the knowledge about how people think about political issues and public opinion in the state of Connecticut.

Confidentiality: Your responses are completely anonymous to the researcher, and in any reports published from this research it will not be possible to identify individual participants.

Voluntary Participation: Participation in this study is completely voluntary. You are free to decline to participate and to end participation at any time for any reason.

Questions: If you have any questions about this study, you may contact the researcher, Logan Dancey (ldancey@wesleyan.edu). If you would like to talk with someone other than the researcher to discuss problems or concerns, or to discuss your rights as a research participant, you may contact the Wesleyan University Institutional Review Board whose information is available at <http://www.wesleyan.edu/acaf/support/reviewboard.html>.

Agreement to Participate: I am at least 18 years of age. I have read the above information, have had the opportunity to have any questions about this study answered and agree to participate in this study with the understanding that I may withdraw at any time.

By clicking on the button and proceeding with the survey, I give my consent to participate in this study.
